

Family Learning Grid Term 3

Create a [Pizza Bagel](#)

Document your weekend or week using photos. You can use iMovie or a different app such as PicCollage to share your photos with your class.

May 20th is World Bee Day. Learn about the importance of bees and other pollinators in our eco system. Can you create a Bee Hotel?

Pick your favourite activity or hobby and list all the skills you need for it. Can you think of any jobs that require the same skills?

May 3rd is National Space Day, can you create a space themed model or piece of art?

Create a presentation about a career you are interested in. Present this to your class.

June 18th is International Picnic Day. Can you plan a picnic for your family? Set a budget and do some shopping for your perfect picnic.

Use recyclable items to create a [Junk Robot](#)

Create a forest eye. Loop different coloured wool between 2 sticks to create woodland art.

Create a poster for the Euros. Try to include a symbol for each country that have qualified.

Sports Day is coming and so are the Olympics! Pick a new sport or skill to learn with someone in your family. Check out these [Olympic Sports](#)...some of them might surprise you!

Take part in these [60 Second Physical Activity Challenges](#)

May 24th is National Scavenger Hunt Day. Can you create a scavenger hunt for your family? Create clues using a variety of worded and numerical riddles or puzzles. You could even create an accompanying treasure map.

[Hand sew your own bookmark](#)

Work on your performance skills for the school show with some karaoke at home or learn a monologue from a TV show or film to perform. Not your thing? Try your hand at set design and make a background for your toys to 'act' in front of.

Research a country taking part in the Euros. Design a leaflet with interesting facts and images.

Create your own [ECO Brick](#)

Hand your completed ECO Brick into school.

Design a Whitelees Rights Respecting School logo or mascot.

Try some of these [Maths at Home](#) puzzles and games

Create a [musical instrument](#). Go outdoors and find some natural resources to use.

✗ Please post your photos to @WhiteleesPS
