CLUSTER PRIORITIES

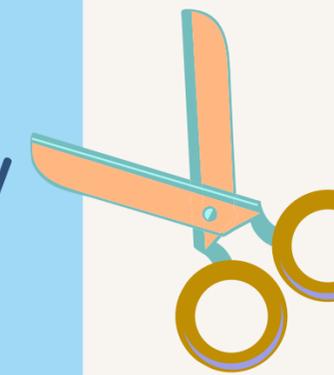

CLUSTER PRIORITY 1

Underpinned by GIRFEC, effective procedures and strategies will be developed to improve emotional and mental health and wellbeing across the cluster. Approaches will take account of the needs of the whole cluster as well as individual establishments, resulting in improvements in wellbeing, attainment and achievement. This will be a cluster priority for 3 years (2023-26)

CLUSTER PRIORITY 2

Raising Attainment and Positive Attitudes in Maths and Numeracy

Development of knowledge and skills in teaching maths and numeracy using a variety of approaches and resources to improve teacher and learner confidence and attainment.

SCHOOL PRIORITIES

SCHOOL PRIORITY 1

To increase whole school attendance from 92% to 95% by continuing to support children's mental health and wellbeing, through an inclusive curriculum and school environment. This 3% increase will be achieved by June 2024.

SCHOOL PRIORITY 2

To provide high quality learning experiences through a rich, engaging, and challenging curriculum, where we aim to develop the knowledge, understanding and skills of our learners.

TEAM WHITELEES

NURSERY PRIORITY

NURSERY PRIORITY I

Continue to adapt and embed new procedures and enhance our nursery environment to ensure we meet the needs of our youngest learners. This will be achieved through ongoing staff training, policy development and robust quality assurance.
