Parents Evening Hall Layout

Entrance and exit will be through the main office door only. There will be no access to classrooms, all appointments will take place in our school hall.

Please take some time either before or after your class teacher appointment to collect your child's jotters from the back of the hall and complete the feedback form. This provides valuable information for your child, and is something they always look forward to reading the next day.

We also kindly ask that you complete our parent/carer questionnaire. Your feedback and support is greatly appreciated and helps us make improvements to our school.
