

Classroom NEWSLETTER

Primary

2

We have had a fantastic start to the year in Primary 2 and the children have settled well. In class we have been working hard to follow the classroom rules and routines whilst also working independently. We also have been enjoying learning through play.

LITERACY

For Reading we are continuing to develop our fluency whilst recognising our high frequency words. Please continue to read for enjoyment at home and practise your child's wordlist.

This term for Writing we are focusing on writing a beginning, middle and end. We are also focusing on using capital letters and full stops through our recount genre.

NUMERACY

We are continuing to work on Place Value. The children have been working to count, order and partition numbers to 100. We will then move onto Addition and Subtraction. Please continue to encourage your child to count aloud and order numbers.

HWB

Monday - Indoor PE

Thursday - Outdoor PE.

This term our focus is badminton and hockey. We will be working to develop our movement, communication and coordination skills.

TOPIC

This term we will be learning about Diwali and Sound. We will have the opportunity demonstrate our creativity and will participate in experiments investigating sound.
