

P5 CLASS NEWSLETTER

OCTOBER- DECEMBER 2024

What We Are Learning

Maths & Numeracy

So far this session in P5 we have explored place value up to 5/6 digits and decimal fractions to 2 decimal places. We will continue to work with these across the 4 operations in both mental and written format. We will also be exploring the properties of 2D and 3D shape.

Literacy

We will continue to explore the North Lanarkshire Reading Comprehension Strategies through the study of media. We will work on group novels later in the term. We will continue to issue spelling words on a weekly basis, please support your child with these during homework. For writing we will continue to use Talk for Writing and explore ways to create suspense before moving on to some non-fiction writing

Health and Wellbeing

Monday is our outdoor P.E day. Please make sure your child comes in appropriately dressed as we will be out in a variety of weathers. This term we will explore field and striking games such as football.

For Indoor P.E we will be focusing on Athletics with some of the Sports Leaders from Cumbernauld Academy. We will then move on to some Basketball and Gymnastics.

In class we will be continuing to learn about our emotions through Emotion Works as well as learning about maintaining healthy lifestyles.

Science

This term will see us reach for the stars and beyond as we explore Space as our Science topic. We will link this to current events and dip into past adventures to Space.

Upcoming Events
