JANUARY 2025

Our Learning

Literacy

Last term we enjoyed collaborative working with P5 during Talk 4 Writing, where we explored the elements of suspense story writing. This term we will be further looking at the Talk 4 Writing model and will look at how to develop a setting.

Math and Numeracy

Primary 6 have looked at different written methods for addition, subtraction, multiplication and division. In this term we will be exploring money, decimals and fractions. We will continue to enhance our mental maths through Number Talks and games.

IDL

Thank you for all of the amazing at-home science creations from last term! We had a great time showcasing our learning together. This term will see us explore all things Scottish while we learn about the Scottish Wars of Independence. We will of course be celebrating our famous Scottish poet Robbie Burns and performing a Scots piece at our assembly.

HWB

In outdoor PE will focus on the skills of striking and fielding while playing hockey and golf.

During our indoor PE sessions we will be exploring different ways to move our bodies, while taking part in gymnastics and Social dancing.

Upcoming Events

- 16th of Jan - Love Outdoor Learning session 1
- 24th Jan - Burns assembly
- 13th Feb - Disco
- 17th- 19th Feb - Feb break
- 6th March - Parents evening
- 7th March - World book day
- 25th/26th March - POLO day
