Chairpersons Message

We've got a fantastic team of 13 on the parent council this year. Thank you to members, new and old for joining us.

We've had a great start to the year with our **Autumn Disco** and getting the **Christmas Card order process started**. This year all orders will be online! Keep a look out for these coming home this week!

We hope to further improve outdoor play provisions this year, building on the fantastic trim trail and playground paintings we installed last year. As always, we ask your children and school staff what they want us to invest in. This is how these important decisions are made.

We can't do any of this without your support. Thank you!
