

*Our **vision** is to provide a welcoming, secure, and stimulating environment, where confident, high achieving pupils show a strong desire to succeed. To achieve our vision, we base all we do on four key values: **relationships, kindness, respect and aspiration.***

'Explore, Discover and Understand'

*In Whitelees we are committed to developing in all children, the capacity for independent thought; the importance of learning from others and the belief that with **time, effort, practice, and persistence**; personal success can be achieved. We are a Growth Mindset school, and the values of growth mindset permeate through our entire school.*

'Explore, Discover and Understand'

In Whitelees we aim to:

- *Develop knowledge, skills and attributes that enable our learners to be aspirational, successful and achieve their full potential.*
- *Promote an inclusive, nurturing, rights-respecting environment where learners can develop their social skills, growing into effective contributors who are ready for life and work.*
- *Foster a sense of resilience and empathy.*
- *Empower learners to become responsible citizens within their own community as well as nationally and globally.*
- *Develop positive partnerships where all stakeholders are active participants and have their voices heard to ensure a sustainable future.*
- *Ensure all learners get the right support from the right people at the right time.*
