

# PRIMARY 5/6 NEWSLETTER

JANUARY  
2026

## Our Learning

### Literacy

Last term for literacy we explored media and poetry. We wrote instructions and created recounts of familiar text. This term we will be reading The Elsewhere Emporium, finding out where the Characters Daniel and Ellie have ended up

### Math and Numeracy

Primary 5/6 have looked at different written methods for addition, subtraction, multiplication and division. In this term we will be exploring money, decimals and fractions. We will continue to enhance our mental maths through Number Talks and games.

### IDL

Last term we learned about a range of celebrations and researched how we and other counties celebrate. This term will see us explore all things Scottish while we learn about famous Scots, look at our landscape and climate. We will of course be celebrating our famous Scottish poet Rabbie Burns and performing a Scots piece at our assembly.

## HWB

We will enjoy some traditional Scottish dance during Jan before moving out doors to explore tag rugby.

During our indoor PE sessions we will be joined by Mark and improving our fitness skills while learning about Handball.
