

# P7 Class Newsletter

## January- March 2026

### What we are learning

#### Maths & Numeracy

P7 will be learning about fractions, decimals and percentages, 2D and 3D shape and measure. We will also revisit the 4 operations.

#### Literacy

We will be working on a block of media study, looking at the 3 C's and S's of film before we begin a new novel. For writing we will be finishing off narrative before exploring instructional, persuasive and information reports. Spelling will continue to be issued on a weekly basis.

#### Health & Wellbeing

We will be focusing on Active, Respected and Responsible as part of our SHANARRI indicators. For P.E we will have Mark for Handball and we will also be exploring football skills for outdoor P.E. Outdoor P.E will be Mondays and Indoor Wednesdays.

#### IDL

P7 will be learning about Mary, Queen of Scots, exploring her life as a young queen and the challenges she faced while ruling Scotland. We will investigate key events, including her time in France, her return to Scotland, and her imprisonment. Through a range of activities across the curriculum, children will develop their understanding of Scotland's history while building research, discussion and critical thinking skills.
