

# P3/4 January Newsletter

The children have settled well into the new term and continue to make us very proud!

## Maths and Numeracy

The children will be learning to solve multiplication and division using a range of strategies as well as continuing to develop their addition and subtraction skills.

They will explore fractions and develop their understanding of time.

They will also develop their money skills, calculating amounts and change.

- ★ 24<sup>th</sup> January - Burns Assembly
- ★ 16-18th School Holiday/Inset
- ★ 5th March - Parents Night
- ★ 6th March - World Book Day

Primary 3/4 will be learning about being active, respected and responsible within HWB. They will also learn about being a health promoting school.

## Indoor - Monday

## PE

## Outdoor- Tuesday

Last term the children learned to play handball and they will build on this experience by demonstrating their skills in Badminton. They will also develop their skills learning to play Basketball.

## Literacy

 This term, our main focus is on improving reading fluency and accuracy as we explore non-fiction texts. Please encourage your child to read for enjoyment at home.

In class, the children will work on their comprehension and summarising when reading texts. They will develop their skim and scan skills as they read for information.

They will continue to enhance their writing as we focus on independent writing. They will be creating various narrative texts. Accurate punctuation, spelling, and grammar will be emphasised throughout this process.

The children will be learning about forces this term by investigating toys and other objects.

## IDL

The whole school are looking at Scotland as Robert Burns day approaches. P3/4 will be looking at famous Scots and their influence on the world today.
