

# Primary 6/7

## Termly Newsletter – January-April 2026

### Maths

This term we will be learning all about lots of different concepts in Maths. We will be exploring fractions and how they link with decimals. We will also be developing our skills in shape, measure and weight, and using these to learn outdoors.

### Number Talks

Number talks are 5-10 minute activities that help build number sense, mental maths, and flexibility with numbers. This term we are focusing on multiplication and Division strategies including

- Repeated addition
- Smaller factors
- Partial quotients

### Reading

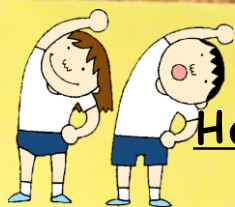

We continue to work on our class reading books using the North Lanarkshire 6 reading strategies. This term we will be focussing on understanding, evaluating and analysing, learning different skills and strategies to help us understand what we read.

### Writing

In writing we will be applying our grammar knowledge of sentence structure and tenses to develop our writing. We will be focussing on

- Recount Writing
- Report Writing
- Narrative Writing

### Health and Wellbeing

#### Physical Education Focus

Indoor P.E – Wednesday  
Handball with Mark from Tryst 77

Outdoor P.E – Monday

### Health and Wellbeing

#### SHANARRI Indicator Focus

Each month we have a different focus:

January is Active  
February is Respected  
March is Responsible

# STEM

## Play

Through our play sessions we will be developing our skills and abilities in STEM through a range of construction and scientific activities. We will have the chance to consolidate and apply our knowledge in maths to help us complete challenges.

## Outdoor Learning

We will be using the outdoor environment to help us further understand our work in maths. We will be exploring measure through the use of natural resources, find the area and perimeter of outdoor areas and much more.

## Scottish Theme

This term we will be learning all about Mary Queen of Scots. We will be participating in a range of learning to understand her life, including the use of digital technology, enquiry projects and purposeful play.

## IDL

As part of our IDL theme this term we will be exploring Ancient Egypt. We will be learning about the civilisation and its impact upon the modern world. We will be exploring STEM inspired by the pyramids and ancient construction techniques
