

Nursery Home Learning Activity Ideas

Mark-make outside using chalk or water.

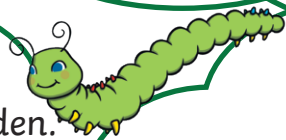

Use a brush to paint with water.

Make a potion using things like leaves, sticks, flowers, petals, sand and water. Think of a name for your potion. What is it for?

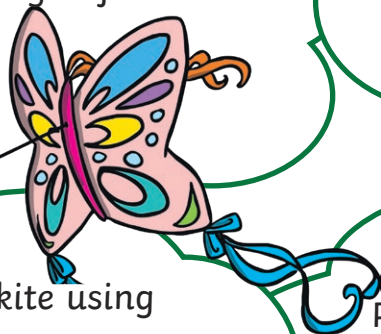

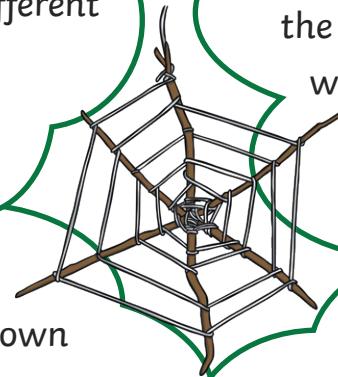

Go on a minibeast hunt in the garden. How many can you find?

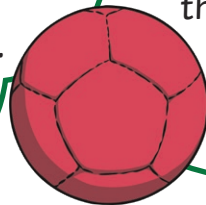

Build a den outside using different materials.

Go outside and see what the weather is like. Keep a weather diary by drawing the weather each day.

Make a kite using straws and paper or a plastic bag. Take it outside to fly it.

Practice ball skills on your own or with a family member. Can you throw the ball? Can you catch the ball? Can you kick the ball?

Use stones, sticks, shells, leaves or petals to create a piece of art.
