School/Teacher Guide for NL Virtual Classroom

Welcome to North Lanarkshire's Virtual Classroom.

The NL Digital School have created a Virtual Classroom which can be accessed by children who are self-isolating. The format of the learning has been designed, where possible, for independent learning and experiences.

Access to the NL Virtual Classroom is through Glow Teams. Schools can provide access to children, when they are identified as isolating, along with additional school specific learning. Children are directed to follow school instructions for uploading completed work to their Class Team. Schools will continue to have responsibility for making contact with isolating families on a regular basis.

Please find below a guide for the NL Virtual Classroom which outlines the format, key features etc.

School/Teacher Guide for NL Virtual Classroom

NL Virtual Classroom

Access to the NL Virtual Classroom is through Glow teams The Virtual Classroom Team has colour coded channels containing Weekly Interactive Classrooms for each stage. This enables schools to discretely direct children to appropriate learning. The table below provides the link between Stage and Colour Channel.

Channel Colour	Primary/Stage	CfE
Red	Primary 1	Early***
Orange	Primary 2	First*
Yellow	Primary 3	First**
Green	Primary 4	First***
Blue	Primary 5	Second*
Indigo	Primary 6	Second**
Violet	Primary 7	Second***

Weekly Interactive Classrooms

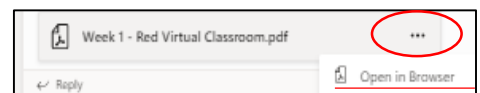

The Interactive Classrooms include learning and experiences for Literacy, Numeracy, Health and Wellbeing and STEM. These are accessed by clicking on the icons shown within the Interactive Classroom.

This is a universal offering however additional learning can be provided by schools out with the Virtual Classroom Team. For example, Spelling which aligns to classroom learning.

It is recommended to Open in Browser for the interactive links to work.

How do isolating children gain access to the Virtual Classroom?

Schools can provide access to the Virtual Classrooms by providing the Team Code **r0f8wg2**, appropriate colour Channel for the child and Parent/Carer Guide. Once children return from isolation please direct them to remove the Team from their account.

Contact, completed work and feedback

Contact and checking in with isolating families remains with schools. Children are directed to upload their completed work to their Class Team for feedback. Schools can provide specific instructions for this, perhaps aligning to established Class Team practises.

Virtual Classroom Queries

Parent/Carers and children will have a guide for using the Virtual Classroom, within this they are asked to approach their school with queries. If these are unable to be resolved by the school please contact the Digital School via their email address, digitalschool@northlan.gov.uk
