FINANCE

At present the total amount of money in the Parent Council Fund is **£527.13**

A grant of £95 has been awarded for the Fun Day however, the Parent Council bank account name details must be changed before payment of the grant award can be issued. Angela McLaren will see to this.

Cllr Goldie suggested asking Sanctuary Housing for help with monies for the Fun Day.

HT UPDATE

Nicola showed the Parent Council samples from the schools new uniform supplier – Scotcrest. We are introducing some tartan by offering a new tartan pinafore, skirt and a tartan tie along with the normal uniform items already on offer. Nicola explained that Scotcrest are able to offer parents different ways of ordering school uniform – they can order either by purchasing through the school, online or going into the shop which is located in Airdrie. Leaflets are currently being printed and will be issued to the pupils as soon as they are ready.

Events:-

- Sports day with Micro Fitness is confirmed for 25th May.
- School summer show is on 20th and 21st June.
- School trips:-

Nursery	Craigend Nursery Indoor Beach
P1-4	Calderglen Park
P5-7	People's Palace

As these are split trips, cover should be adequate using school staff.

Nicola explained she is planning a whole school trip next year, as done previously, and she would definitely need help with Parent Council members for that.

Improvement plan

Nicola is working on this at present and should be ready before the summer break.

Focus is on Raising Attainment – working with whole school, groups of children and also individual children.

The monies being downloaded from the Government for Raising Attainment have not been confirmed yet but Nicola's ideas using some of the monies will be to pay for:-

- Learning Support Teacher
- Early Years Worker - play based learning
- Speech & Language Therapist
- Family Link Worker
