

# St Ambrose High School

## Literacy and Numeracy Newsletter March 2013

The work of the team has moved apace in the last year as the Learning Wall was created. The S3 Pupil Council organised and managed the display, ensuring Es and Os of Literacy, Numeracy and specific subjects were clearly identified.

The pupils enjoyed the leadership which came with this role and in working as a team, they developed strong skills in communication and organisation, while becoming more familiar with the language of CFE.

We hope that this exercise will encourage a greater familiarity with Literacy and Numeracy in teachers across the school.

### Numeracy Workout

Stephen Lipton and Tom McQuillan have worked on a package that will support teachers across the curriculum using Numeracy. Tom demonstrated this for the Literacy and Numeracy team and at the Leaders' Meeting. The school now has the license for this and Tom and Stephen have identified the tasks within the package that will support subjects based on the Numeracy Audit. This has been distributed to all departments now.

**Numeracy Workout latest  
Tried and tested...  
Employability and Lifeskills.

Accounts and Finance**

### Any good practice?

We're always open to new ideas for Literacy and Numeracy. If you're trying out any new Literacy or Numeracy techniques, please let us know!!

### Next Steps...

- The Learning Wall will be created again by the current S3 Pupil Council
- This will start after the Easter holidays
- Subject teachers invited to try Numeracy Workout in classes

**Membership of Team**  
Most departments are represented in the team. If you would like to join this team please contact G McCadam.
