

St. Edward's Primary School

## Severe Weather Information

Severe weather, may on occasion result in the school closing.

If this happens, you can support learning by:

- Reading school books, newspapers or library books
- Use ICT online supports
- Access the school website for class activities at:  
<https://blogs.glowscotland.org.uk/nl/stedwards/>

In the event of school closure, please check NLC website and listen to the local radio for information and updates on the situation.

For the most up to date information follow NLC twitter feed on @nlcwinter or @nlcpeople or @St\_EdwardsPS

## Useful websites/apps

# Studyladder

Study ladder is a fantastic site that offers activities for your child to consolidate their numeracy and literacy skills as well as many other topics.

Log in at: <https://www.studyladder.com>

# glow

Glow is a national intranet facility which offers a wide range of age and stage appropriate resources. Primary 5-7 classes should be familiar with their unique login details.

Log in at: <https://glow.rmunify.com/>

Spelling city contains a variety of activities which can be used for spelling and vocabulary practice.

With Scratch, you can program your own interactive stories, games, and animations — and share your creations with others in the online community.
