

Microsoft tools

When you open a Microsoft app, use your **gw...** username with **@glow.sch.uk** when it asks for your email. This lets Microsoft know you're trying to log in via Glow.

Welcome to Microsoft Teams!
A happier place for teams to work together.

It'll then show you the purple login screen and you should type in your the **gw...** username up to the @ sign (but not including):

A screenshot of the 'glow' login interface. The background is purple with the 'glow' logo in white at the top left. The main content is a black box with the title 'Sign In' in white. Below the title are two input fields: the first for the username, containing 'gw16lastnamefirstname' and '@glow' in a separate section, and the second for the password, containing 'Password' and an eye icon. Below the password field is a checkbox labeled 'Remember my username'. At the bottom of the black box is a blue button with the text 'Sign in' in white.

Enter your username and password. If you aren't sharing your device with someone else, tick 'remember my username'.
