A note from the Whole School Display Council

Hello from the Whole School Display Council.

We were wondering if you could bring in some long lasting items to help us with our mosaic.

It is now the 40th anniversary of Whitelees Primary opening and we would like to create a mosaic to remember this special school. A mosaic is a long lasting collage that people can walk on and it will also sustain during any weather.

We will need you to bring in items such as marbles, tiles, shells and other sustaining materials. We would like you to bring in these things as soon as possible.

There will be a survey that will be coming around the classes so that everyone has a say.

Yours sincerely

The Whole School Display Council
