EASTER CAMPS 2016

Holiday Courses for 4 – 15 year olds

Sign up for one of Clyde Easter Holiday Camps this year! Your child will enjoy our five-day course and leave with lots of great memories, having learned new skills and made some new friends. With the European Championship fast approaching in France, players will learn new moves and lots of exciting skills. We have challenges to keep the kids active and enjoying themselves throughout the five-day course.

Daily Fun Activities

As part of the unique camp experience, everyone will have the chance of winning our 'Player of the Day', and 'Player of the Week' awards, and take part in lots more activities.
