THEME DAYS

The Theme day calendar can be found on the web site. Theme days are a fun way for young people to learn about other cultures eating habits and will replace the normal menu choices on the selected days in your school. Some theme days are pre-selected for example Halloween, and some will be selected by your individual schools to fit in with the curriculum.

PRE-ORDER

The Primary school menus are colour coded to fit with the pre-order system (available in most schools) and will allow you to discuss the various choices with your child. Each option is represented by a coloured band which the child will be given dependent on choice, this ensures each pupil receives what they have ordered and also assists in cutting down on queuing times and waste.

ONLINE PAYMENTS AND CASHLESS SYSTEM

The council is now introducing additional methods of payment within schools to make life easier for parents/carers, reduce the need for pupils to carry cash and reduce the volumes of cash being handled in the school. You will be able to pay securely online using debit/credit card for all school meals and other school expenses such as trips and uniform items.

Online payments and cashless catering are being rolled out throughout all schools and will be completed by November 2016. Check the website to see if your school has been given a date yet.

- Payments can be made securely online 24/7 from your home pc, tablet or mobile phone.
- You will still be able to pay by cash by a top up machine (for school meals) in the school.
