4. You can now sing the song using your own animal and rhyme using the audio of '**no rhyme version**' on the schools' website.
5. Use your flipbook to help you and anyone else to join in with you.

Task 3 (Extension)

1. Use the sheet provided to write out your animal and rhyme even bigger and better.
2. Use the space to draw the picture of your animal and rhyme.
3. Don't forget to sign your name!
4. Now display it somewhere to show how good your rhyming, writing and drawing is. You should be very proud!

Remember that you do not need to complete all of these activities at once! If we were in School you would be given 3 lessons to complete these tasks.

Take your time and most importantly enjoy the music and have fun!
