

Firth Primary & Nursery School - COVID 19: Action Plan - Sept 21

Actions Taken

Class covered by another teacher	As and when the case arises of a teacher being off due to isolating they will be covered by supply.
	If there is no supply they will be covered, where possible, by the SFLT or the HT or an itinerant teacher.
Classes combined - Childcare provision	If there is no teacher available to cover, two classes will be combined and covered by one teacher and a SFLA, and/or other staff members. This in effect will become childcare with reduced teaching and learning activities.
	If there are three classes combined with appropriate ratio of adults including one teacher, this will become wholly a childcare provision.
	If the school has to combine as one, this will not meet current mitigations, and will be reviewed.

Pupils who are Isolating

All Primary Pupils	<p>Will be provided with one reading, writing and maths task whilst isolating due to COVID.</p> <p>Will be prepared with age appropriate online safety information.</p> <p>Will have access to Sumdog and be provided with other websites for use online during isolation.</p>
