Use the shelf guides & letter blocks to help you get to the section (letter) of the alphabet you are looking for.

Use the white labels to help get you to a more specific part of the shelves.

Some newer books now have a label representing first three letters of author's surname on the spine. Use these to find specific authors and to help you return books to the correct place.

Cornelia Funke

Neil Gaiman

Jane Gardam

Look carefully at the spine of each book to find the author you are looking for.

Remember: If you are looking for a specific title you will need to check the catalogue (search for title) to find the name of the author.
