

How to set up the ePlatform app

When you first click on an eBook or audiobook in Oliver, the online catalogue, to borrow it, you will be prompted to download the ePlatform app (if on mobile phone or tablet) or to go to the ePlatform website in a browser.

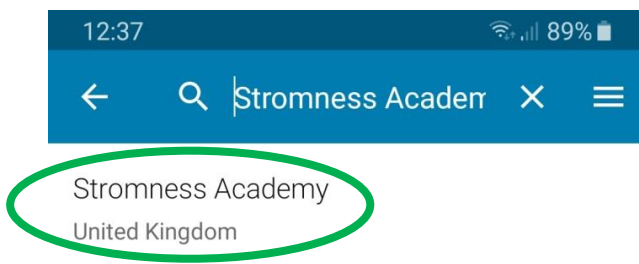

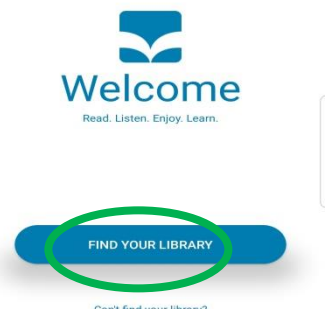

You can also download the app onto your device via the appropriate app store

Step 1: [Download the 'ePlatform by Wheelers app' from the App Store or Google Play](#)

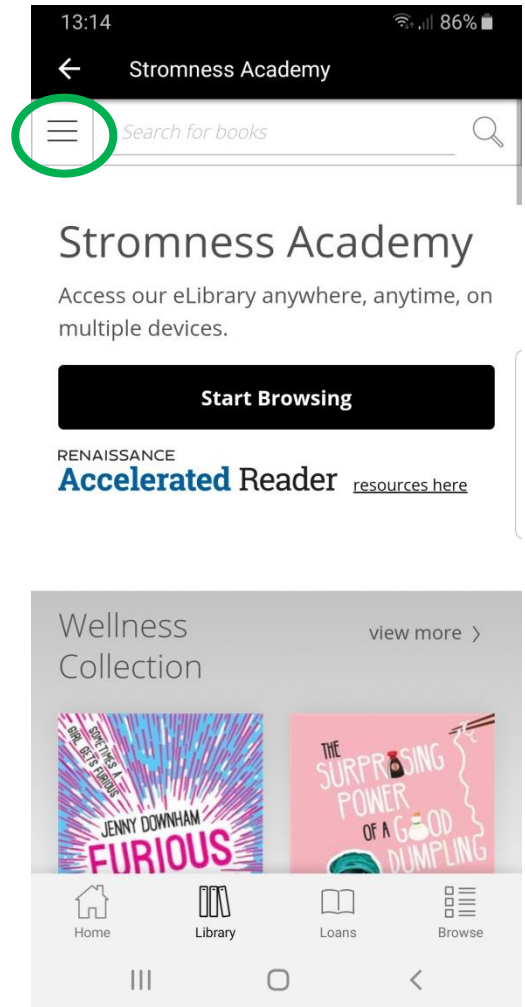

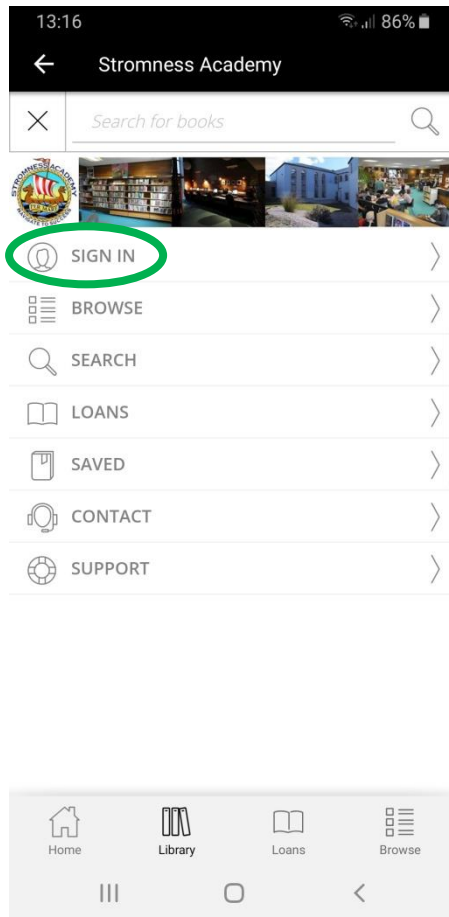

Step 2: Open the app on your device. Click 'FIND YOUR LIBRARY'.

Search for 'Stromness Academy'. Click on the result.

Step 3: Sign in

Click the three lines in top left corner of app, then select 'Sign In'.

Login to ePlatform your username: in the format Firstname.Surname (eg. 'Jack.Baker').
