MOCK FACEBOOK PAGE

Title:
Author:

If you are very familiar with Facebook, use the template below to create a mock Facebook page for a **character** you liked in the book.

Character Name:	
Why did you choose this character?	

- Think about the character: Where do they live? What do they do? Do they have a job? Are they at school? What are their likes and dislikes. Fill in these details in the 'About' section. Fill in as much as you can from the information you picked up from the book.
- Create a list of friends (and maybe even enemies) from the book who might appear on the friends list.
- Write at least **FIVE** status updates (from the character you chose) based on events that happen in the book (most recent one will be at the top of the 'newsfeed') and provide comments based on how you think the character or other characters feel or act. You should provide at least **TWO** comments from you about how you felt.
