Mrs Canning is retiring this summer after working at Coupar Angus for several years and in teaching for.....well a long time! We will miss her very much, she has been a very hard working member of the team and she has supported us with writing and literacy work over the last few years. A huge thank you to Mrs Canning! (& we hope she will be back to work with us on development work from time to time!)

Mrs Hanlin returns to school this week part-time and then back full-time just before the summer. Mrs Lindsay will stay with us until the holidays. We thank Mrs Lindsay very much for working with P1 in Mrs Hanlin's absence.

## **School Improvement Survey**

Many thanks for your participation in this survey, it was very positive and we have taken on board parental comments for our development priorities next session. You will shortly receive a copy of the School Standards and Quality report about our progress this year and the School Improvement Plan will also be available with next year's development priorities.

## **Parentpay - End of term**

## **P6 & some P7s went to HolyRood Park for a trip.**

### **The same week the P7's who didn't go to**

### **Ardeonaig had a great time:**

We came up with ideas around the school and Larghan Park, to create our own obstacle course with Miss Sinclair, and test it. We helped everyone around the school to contribute in the cycle event. We spent time with the P6s.

Furthermore, we went on a trip discovering an active volcano in Edinburgh, named Arthur's Seat; rocks were carried by sea over to our land. The rocks can be found near the volcano, and along the way we found fossils, and huge boulders. This volcano erupted 20-50 times over the past millions of years! By William and Conner.

### **Ardeonaig:**

This term we went on the P7 residential trip to Ardeonaig. We went canoeing and did the Ardeonaig challenge. The Ardeonaig challenge is where we had to go into the water and fall backwards. On the second day we did bushcraft and raft-building whilst the other group did bushcraft, low ropes course and archery. By the end of the third day we had taken part in local adventure and crate

climbing. For local adventure we went for a two hour hike. On the fourth day we did team challenges, archery and low ropes whilst the other group did raft building and team challenges. It was amazing and the food wasn't bad either!

*Dear Parents we hope you will support by ensuring your child in P5,6,7 comes along for both performances. Many thanks.*

### Class news T4

P1 have been reading Jack and the Beanstalk. Dylan said he doesn't like it because he hates beans, the red ones you get in a tin! Jessica has loved the story because we are now growing our own beans in class.

Lillie Beau liked learning about emotions and would like to learn about the skeleton. Jasmine asked why we have chins which lead onto a great discussion about why we might have a chin and what it is for!

### P2

"I really enjoyed our outdoor classroom day. We spent the whole day outside. My favourite bit was going for a walk" Elsa

" We are growing Marigolds. We need to look after them to make sure they grow. We have been giving them lots of water" Meadow

"I enjoyed practising for our class assembly and learning lots about Roald Dahl. I love reading his books in class, they are very funny" Ben

We have been finding out about Developing and Developed countries and the differences in how people live. I can work with my friend in P2 and we can help each other with the numbers to 20 by Evan

Thinking Room 1 are doing some work on recycling and we are encouraging everyone to recycle plastic in school. We have made some posters and will hopefully be placing some special bins in each building for your plastic waste. We have learned why we need to do this and as Blayr says:

"Do not throw plastic in other bins because it hurts fish and animals. Put it in the special bin."

We hope everyone will try hard to do this.

By Alison and Ellie

P5 are learning about Mary Queen of Scots and have really enjoyed finding out all about her 3 husbands and the key events in her life.
