

- Many thanks to all the families who were able to come and meet with their child's teacher or Key Worker in Nursery. We didn't get a 100% turn out this time around. If you couldn't make it, let's try again! Staff will be happy to make another appointment with you. Please just call.
- The Parent Council are hosting a Winter Disco on Friday 21st November...see the poster attached. Nursery to P3 children from 6-7pm and P4-7 from 7.15 – 8.15pm. Nursery parents are kindly invited to remain with their child. All children should be escorted home by someone 16 yrs or older please (it is dark out there).
- Many thanks to Ally Mallinson (I-bike) and his colleague who really did a power of work this week fixing up children's bikes from P5-7. Keeping our children safe on their bikes deserves a big big pat on the back and a thumbs up from us. Thank you!
- Friday 21st sees P7 off to the High School for their first transition event of the year. They're off to meet all the other P7s who will join them as S1 in the High. Citizenship is on the agenda.
- Wednesday 26th Nov is the next meet up of the Parent Council. Please remember, you are all welcome to attend. The place is the GP room in School, time is 6.30pm. Suzie our new Chair will be delighted to meet all parents/carers.
- We were delighted to have our village Minister Allan Wilson in last week, for a Remembering assembly. The children were then happy to troop outside and hang up our poppies on the fence. Thank you to all who brought in a plastic bottle!
- Tayside Contracts have confirmed the Christmas Lunch date is Thursday 18 December. We'll let you know what the special menu is nearer the time. Meanwhile.....Unfortunately, due to unexpected supply issues Tayside Contracts are having to make a menu change for Friday, 21 November for both the nursery and primary menus. Instead of Mild Quorn Korma being the vegetarian option it will now be Mild Vegetable Korma. They apologise for any inconvenience.
- It's the time of year again when all PKC schools review procedures for Winter Weather emergency closure. The policy remains as this: all staff who can safely travel to work will do so. This will allow children to attend school if they can. In the case of schools not opening before 9am, parents will be informed via the usual channels: Local Radio (Heartland and Radio Tay); PKC website; Groupcall/Eduspot message. Should the weather be so disruptive that school needs to close during the learning day, we will contact all parents via Groupcall/Eduspot and ask that you collect your child. No child will be allowed to go home by themselves. We'll send home an additional wee note separately about severe weather plans very soon.

Wishing you all a lovely weekend,

Mrs Whittet
