

Blackford Improvement Group

Blackford Improvement Group or BIG for short has been set up to continue the work started by Blackford Primary School Parent Council, to redevelop the existing Play Park adjacent to the School as well as other things which will improve the village of Blackford.

We are looking to redesign Blackford Play Park so it can be bigger and better and this is being done as a joint project between BIG (Blackford Improvement Group) and Perth & Kinross Council.

Come along to an information evening to learn more about the exciting plans. There will also be a short AGM to adopt the Constitution and appoint Office Bearers.

Date: Thursday 26th November 2015
Venue: Blackford Parish Church
Time: 7.30pm
