

Emergency School Closure Arrangements

Please note that in the event of the closure of the school due to severe weather the following arrangements are in place. This *emergency school closure information* will also be available on the school website.

Parents/Carers can find closure updates on the Perth and Kinross Council website by logging onto www.pkc.gov.uk where closures will be flagged up on the Home page, or alternatively access the information on <http://www.pkc.gov.uk/Schoolclosures>

The PKC Customer Service Number is 01738 475000 and is available from 8am - 6pm, although this line may operate from 7.00 am in exceptional circumstances.

Announcements will be made on -

Radio Tay AM - (Frequency AM 1584 and 1161)

Radio Tay FM - (Frequency FM 96.4 and 102.8)

Radio Central - (Frequency FM 103.1)

You can also follow Perth & Kinross Council on Twitter (@PerthandKinross) or find Perth & Kinross Council on Facebook where current information will be available.

Closure During the School Day:

If the weather deteriorates during the day (or in the event of early closure of the school for other reasons) a Groupcall text message will also be sent to pupils main contact's mobile telephone number to advise that the school is closing and that pupils should be collected (please ensure that you keep the school updated with any change to this number).

Please note that in the event of a loss of power our usual phone line will be out of use. There is an alternative number - 01764 682204 - however, as this is the only line we would have for arranging Groupcall text messages to be sent to you and for contacting external agencies, we would ask that this number is only used in extreme circumstances.
