

PRE-SCHOOL TO P1 TRANSITION PROGRAMME

Our preschool-P1 transition programme offers a warm and supportive range of activities designed to help children feel confident, curious and excited as they take their next step into primary school. We also hope to give parents and carers the chance to meet one another and connect with key staff, so everyone can begin their educational journey feeling informed and welcomed.

During our Stay and Play sessions, children are invited to join Mrs Hoggan (PT & P1/2 teacher) in the P1/2 classroom for playful, confidence-building experiences. At the same time, parents and carers can spend time getting to know Mrs Fowler (Head Teacher) and other key staff.
