

Blackford Primary School

Quality Improvement Plan 2026/27

01

**Learning,
teaching and
assessment**

By June 2027

- Most learners will achieve expected levels in writing
- Targeted cohorts make accelerated progress
- Most learners will achieve expected levels in numeracy and a few children will be ahead
- Almost all teachers will consistently demonstrate features of highly effective practice in observed lessons, resulting in improved consistency in learning, teaching and assessment across the school

02

**Equity and
Inclusion**

By June 2027

- The attainment gap between ASN and non- ASN learners will reduce by 5%
- All staff confidently apply Nurture Principles, specifically principles 2 and 4

03

**Leadership of
change**

By June 2027

- The refreshed vision, values and curriculum rationale will be evident in planning, learning environments and stakeholder understanding
- All staff will routinely use attainment, wellbeing and participation data to inform planning and targeted interventions, evidence through tracking meetings, planning scrutiny and professional dialogue
- 100% of P5- P7 learners will maintain a My Wow profile and at least 90% will confidently articulate their skills, achievements and next steps

04

**Learning
community priority**

By June 2027

- All LMG schools will have introduced a consistent learner profiling approach using My WOW, enabling learners to articulate their skills and progress, with staff implementing agreed approaches to ensure consistency and support transition into S1
