Dear Parent/Carer

S4 TRACKING PROGRESS

At Blairgowrie High School we aim to provide pupils with on-going individual support and guidance in classes throughout each year. We also believe that the involvement of parents is paramount in supporting pupils. This tracking report provides a brief summary on progress to date in National courses only (there is no data for core RE/SE/PE/Registration) including:

Subject & Level at National 3, National 4 or National 5
Target Grade the potential award pupils should be aiming for
Working Grade the current performance based on evidence from class work, homework and assessments to date.

The numbers used in our school report are used to correspond to different levels of award within the new National Qualification structure

New Qualifications	National 3 & National 4	6 = PASS
		9 = FAIL
	National 5	1 or 2 = A
		3 or 4 = B
		5 or 6 = C
		7 = D
		8 or 9 = No award

Three other aspects of progress are tracked: Effort, Behaviour and Homework.

Please remember that a pupil's presentation level is based on current performance and can be changed up or down depending on evidence and assessment results. If you have any questions regarding this report please contact your child's guidance teacher. We hope that you find this information helpful and can use it as a basis for a discussion with your child about their progress and targets.

Yours sincerely

B Leslie
