

### P7 Dalguise Trip

Dalguise was a fun and challenging experience, packed full of activities. It was very tiring but thankfully the food was good with a large variety of things to choose from. We also did a wide range of activities, from archery to zipwire, altogether we did 14 main and 4 evening activities which were Robot Wars, Cludo, Campfire and finally the Disco. The accommodation was good but it has very sensitive fire alarms, which was a lesson to be learned the hard way. Who knew the steam from the shower could set them off! Overall we think Dalguise was a really fun and enjoyable experience.

Many thanks to Mrs Karen Crockart and Mrs Louise Thomson for giving up their time.

### Nursery News

Thank you to everyone who attended our Open Day yesterday (30 March 2015). We welcome your attendance at these meetings and your children love to share their Nursery. Thank you for the positive feedback you have given. Please could you bring in £12 on return to nursery after Easter to cover snack next term. There are 11 weeks next term and we are asking for you to pay for 6 and are giving your 5 free weeks.

We would like to remind all parents of the importance of safe parking around the school when bringing and collecting children. Young Street in particular has been congested and our Junior Road Safety Officers have noted some double parking. Your co-operation is appreciated.

Have a happy Easter and we will see you on 21 April for our final term of this school session. Enjoy the break.

### Pirates versus Mermaid Production

Our P4 and P5 classes entertained us all with a very successful adaption of Pirates versus Mermaids last Wednesday 25 March. We would like to thank Mrs Armstrong and Mrs Mollison for all their hard work in putting the show together. Also Mrs Graham and Mr Norris for the amazing work with the scenery. Last but not least all the children who gave a fantastic performance.

These are some comments from parents -

"Thank you for a great show - outstanding, great performance, well put together, some good jokes".

"We were very impressed with both classes for remembering all their lines and staying in character the whole show, well done!!!"

### REMINDERS

We are looking for any Parents/Carers who are or know any Graphic Designers to help us re-design our new profile booklet layout, please let us know. Could we please remind Parent/Carers of the protocol regarding medication being administered during a school day. There are forms available from the School Office if required.

Kind regards
