More about S.H.I.P.

S.H.I.P. Clubs are run by experienced Play Leaders and supported by trained volunteers across Perth City and in rural outreach locations. Kinross-shire is a new area, but as the local response has been so encouraging, S.H.I.P. has received funding to establish and run a staffed youth club.

There will be a wide range of exciting activities to choose from, which will be planned around the needs of the young people, and provide them with opportunities to make friends and have lots of fun.

Activities offered at other sites include rock climbing, cooking, arts & crafts, chess and visits from community groups. We want to make sure the club we provide is what you and your family needs, so please do get in touch.

S.H.I.P. youth clubs provide volunteering opportunities within the community for young people over the age of 14 and adults.
