Parents Evening

This will be an opportunity for you to visit your child's new classroom, if they are moving class and meet the teacher. It will be a chance to say goodbye to the current class teacher or to school and a chance for new parents to come in and meet their child's teacher. Fairview's newly appointed head teacher Leigh Verdote will be joining us to meet families.

We hope you will attend and make some extra time to pop in and meet with some invited guests who will have information about their services and how they can support your child. These guests will hopefully include:

Adult Learning Disabilities Team (Transition)

Perth College

Perthshire Autism Support (Children and Young People with Autism)

Speech and Language Therapy

Hearing Impairment Team

Child Health Team and Woodlea Outreach

Duke of Edinburgh

Alan Davies (solicitor) providing advice on Guardianship

And more....

And finally.....

I am beginning to do my last of everything at Fairview—last review meetings, last transition meetings and to prepare for the last of all the very special summer term events. Fairview is a difficult place to leave but I feel excited for the future and know Fairview will continue to move forward with families and staff working together for all the children and young people. My journey will continue at an all age school for children and young people with complex needs in Wolverhampton, where I will take up the head teacher post in September. I look forward to meeting many of you at the summer term events to say goodbye and I am looking forward to enjoying every moment of my last term at Fairview.

Best wishes

Fiona Gillespie
