CONVENTION ON THE RIGHTS OF THE CHILD

As a school that respects the rights of the children and adults in our school family, community and beyond, we aim for each school policy to adhere to articles from **UNICEF's Convention on the Rights of the Child**.

In this policy, we are working towards the following articles:

Article 3 - The best interests of the child must be a top priority in all things that affect them

Article 12 - Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.

Article 15 - Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

Article 28 - Every child has the right to an education

Article 29 - Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Article 31 - Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Children and Young People's Rights are central in all we do.
