

# Leaving School.

I go to Fairview school. But,  
soon I'll be too old to go to  
school.

At the end of my time at school,  
I'll go to Perth College.

I may feel anxious about  
going to college.

new

I may be nervous about  
going somewhere new.

It's OK to have those feelings.  
I can tell or show someone  
how I'm feeling.

When I tell someone I'm  
feeling nervous, they can  
help me feel better.

Everyone is proud of me for going to college and trying new things.
