

Saying hello to dog's.

When I go out I may
see a dog. This is OK.

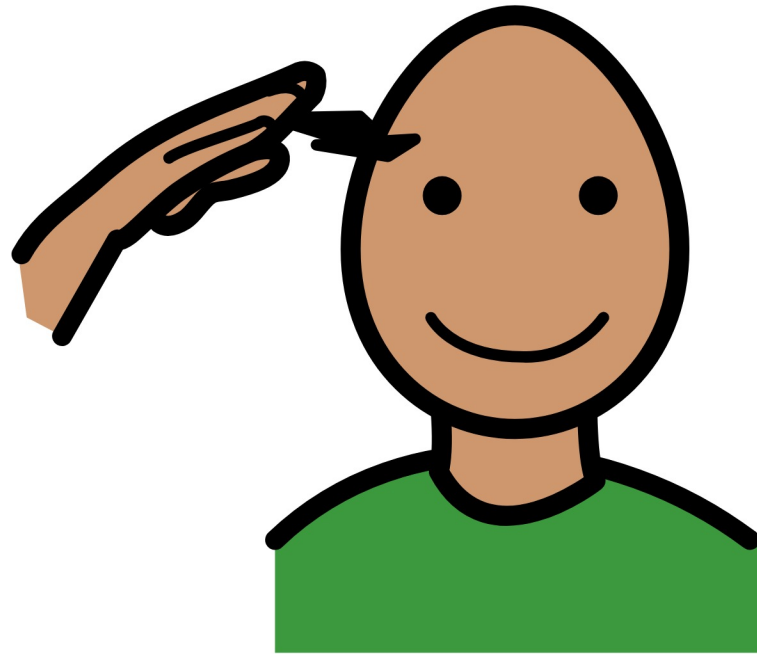

It's ok to say hello to a
dog.

It's not ok to touch a
dog you don't know.

I don't know if the dog
is friendly.

I will remember to use my words to say hello to a dog. I won't touch the dog. This is a good choice.

Everyone is happy
when I make good
choices.
