

I eat food everyday.
Food keeps me healthy
and gives me energy.

There are some things
that are not food. I
should not put these
things in my mouth.

eat

Mud is not food. It's
not ok to eat mud.

Stones are not food.
It's not ok to eat
stones.

no

I may be unwell if I
eat mud and stones.
It's not a good choice.

I will remember not to
eat or put mud and
stones in my mouth.
This is a good choice.
