

Hands are for saying Hello.

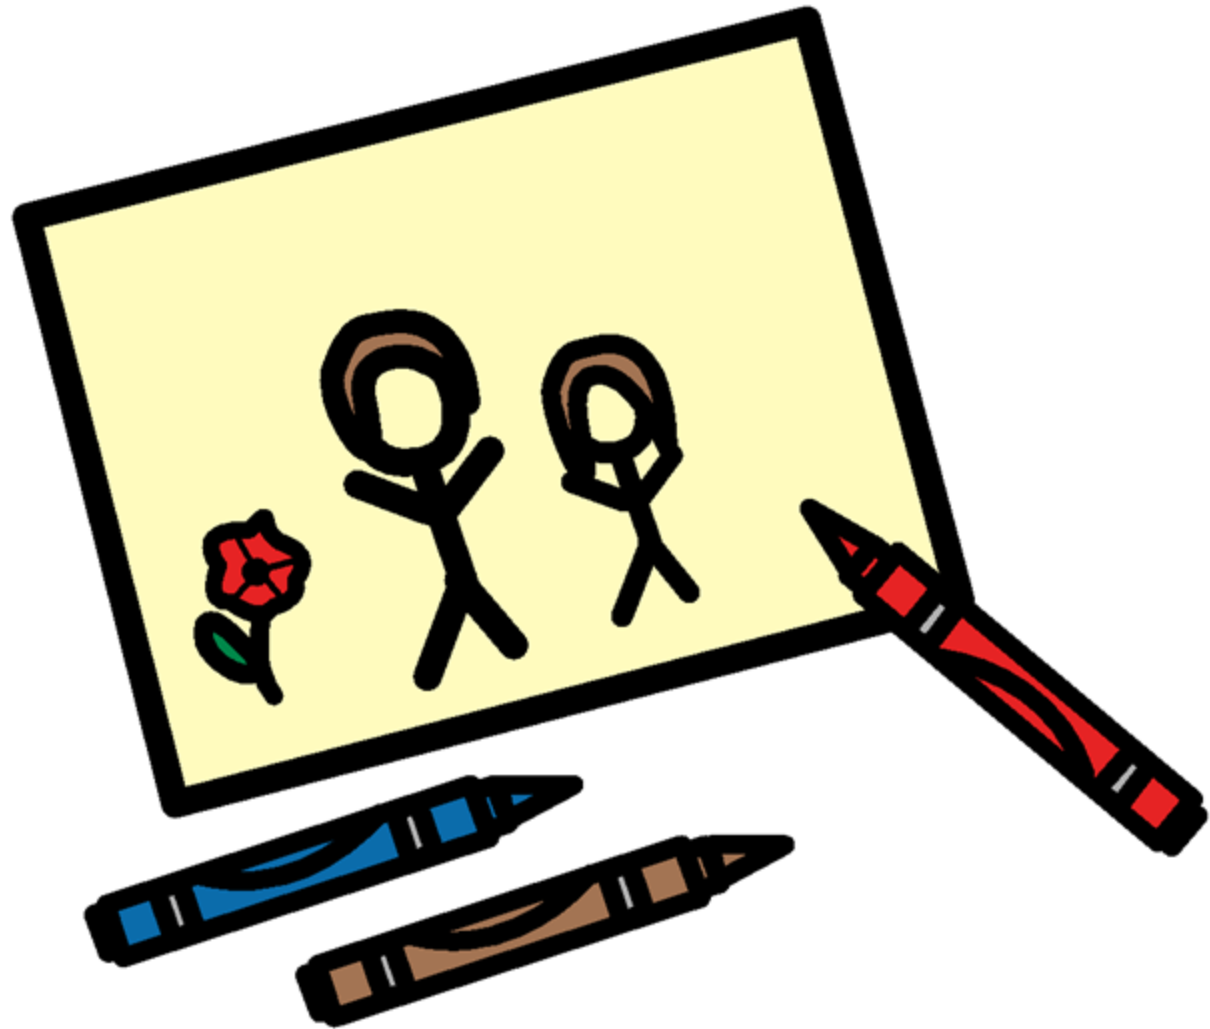

Hands are for all kinds of playing.
Hands are for hugging my family.

Hands are for drawing.

**Hands are for saying
goodbye.**

HANDS ARE NOT FOR NIPPING!

Nipping **HURTS. OUCH!**

That makes people
feel sad.

It's not ok to use your hands to nip.

nip

How does it feel when you nip someone else?
It hurts the person's body.
It hurt the person's feelings too.

**I will not nip anymore.
Everyone will so proud of me**
