Dear Parents and Carers,

Welcome back to pupils, parents and staff. I hope everyone has had an enjoyable Summer break despite the weather. I am delighted to welcome Mrs Bernier to Forgandenny. Mrs Bernier will be working Wednesday to Friday in the school office. I would also like to thank Mrs Styles for covering our teaching shortfall until Mr Donnachie's return in October, ensuring continuity for the children. Welcome also to all our new pupils and their families throughout the school. We hope you will be very happy at Forgandenny.

The children all looked fresh and eager to start back and, as usual, we have a busy term planned. Our whole school interdisciplinary topic this session is focussed around 'Safety' and we are busy organising visits from people who help us in the community, to support our learning in school.

Our school committees are already up and running. Well done to the Eco Team who did a great job tidying the front garden. Our Health Team will have an additional responsibility this year of running the 'i-Bike' project. More information on this will follow. The Charities Group will also be steering the Rights Respecting Schools Award, with classroom charters already underway. Further information will be available at school events. The Celebrations Group would like to remind you to let us know of any achievements outwith school that you would like us to share.

I look forward to seeing you all at our 'Meet the Teacher' evening next Thursday.

Kind regards,

M. Duffy

Remember 20 is plenty when driving near school. Thank you.

Parents/Carers who receive paper copies of our newsletter may wish to view it on the school website - the quality is far better & photos much clearer. Also, if you do receive a paper copy but would now prefer to receive the newsletter by e-mail, please let the office know.

- **Key things to remember!**
