Dear Parents and Carers,

We began our new local heritage 'Living Communities' project with a successful visit to Stanley Mills. The children were greeted by 'Janet' who first dressed them as Victorian mill workers before setting them straight to work in the mill. The children were able to experience what life was like working in the mill and created drama tableaux. Janet was so convincing that some of our pupils had to be reassured that they would be going home at the end of the day!

Over the next few weeks we will be having a craft practitioner working with the classes, with each child having the opportunity to weave in school. We will also be working with the Perth and Kinross cultural workers in writing and music. We hope to showcase our work on the 6th of December when parents and friends of the school will be invited to share in our successes.

We are also looking forward to performing at the Forgardenny Remembrance Service on the 11th of November. The choir is working hard to perfect their song. Everyone is welcome to attend, even if your child is not singing. Refreshments will be served in the school hall after church. We hope as many families as possible will support this community event.

I look forward to seeing you all at our 'Parent Contact' evenings on the 13th and 14th of November.

Kind regards,

M. Duffy

Parents/Carers who receive paper copies of our newsletter may wish to view it on the school website - the quality is far better & photos much clearer. Also, if you do receive a paper copy but would now prefer to receive the newsletter by e-mail, please let the office know.
