

Being the best I can be

PORTMOAK

## Headteacher's Newsletter – August 2023

### Welcome Back

It has been a successful start to the new term at Portmoak. Our new P1s have been really good at settling in and are already feeling like part of the Portmoak family. Lovely feedback from KHS about our ex-P7 children too. All of the classes have been enjoying time in their own class and in our extensive playground, and we are planning lots of exciting opportunities for the year ahead.

Here are some pictures of our five classes this year looking smart in their school uniform!

## P7 Reporters

This year we will have some help with the newsletter, Alfie and Charlotte have been gathering the news from the classes for our first newsletter. I think you will spot a harvest theme among them as all classes are busy with our partnership with Kinnesswood in Bloom.

## Class News – by Alfie and Charlotte

In P5/6, they have been harvested lots of vegetables. These include potatoes, carrots, tomatoes, beetroot and runner beans. They have enjoyed activities such as playing with Kapla, going to the library and their road safety signs. Their Topic this term is Energy in the past and in the future and will be looking at renewable and non-renewable energy.

In P1/2, they harvested some vegetables from the raised beds. They have also picked potatoes, carrots, tomatoes, beetroot and runner beans. They have enjoyed the Art table, building robots, reading, painting and the home area. Their topic is All About Me, and lastly, they like playing outside at the Pirate ship, playing with their buddies, the wigwams and the trim trail.

P2/3 have harvested vegetables from the school raised beds. They picked carrots, potatoes, tomatoes, peas, onions, beetroot, runner beans and leeks. Their topic this term is inventions and they have enjoyed harvesting and eating the crops from the school vegetable garden, learning new maths, playing outside, writing, play doh and going to the library – everything!

Since they have come back to school, P3/4 have enjoyed seeing their friends again, building with the blocks and learning some things about their new topic, Inventors and Inventions. They have been out to harvest vegetables from the raised beds and picked onions, carrots, tomatoes, beetroot and potatoe.

P6/7 have started working on their film project with the Scottish Youth Film Foundation. They have learned about filming techniques which they will use in their own short films. Their topic for this term is Energy sources and will be investigating renewable and non-renewable energy sources. The P7s have enjoyed making soup using vegetables from the raised beds and spending time with their P1 buddies and helping them settle into their first weeks at Portmoak PS.

## Nut free school

Please note that this is a nut free school and children should not come with any snacks or packed lunch items that contain nuts, including chocolate spreads such as Nutella, as we have pupils and a member of staff with severe nut allergies.

## Macmillan Coffee and Open Afternoon to 'Meet the Teacher'

On Thursday 28th September we will be having our annual open afternoon / MacMillan coffee fundraiser. This is an opportunity to see the children in their classes, chat informally to staff in the room and then head along to the hall for tea and coffee and home baking.

The classes will all be baking in the run up to the event, but we would also welcome donations of home baking at morning drop off on 28<sup>th</sup> September, or at 3pm pick up on the 27<sup>th</sup> if easier.

Times for the open afternoon are:

- 1.30-2.15pm – time in classes
- 2.15pm – classroom closed to visitors
- 2.15-2.45pm – visitors welcome in the hall for coffee and cakes (this is free, but we will be taking donations for Macmillan on the day)
- 2.45pm hall closed
- 3.00pm sale of any leftover goodies just outside the front door (in £1 lucky bags)

Please note that younger siblings are welcome to join us in the hall for cakes etc, but we do not have space for the school-aged children to join this session. They will have their own time for treats in their class.

## Seesaw

Please ensure that you have gone onto ParentPay and signed up for Seesaw for this year.

Following parental consultation last year, we moved to using Seesaw as an online learning journal and class teachers also use it to send out announcements with information. All classes will now use paper/jotter homework, again this is due to parental feedback. This means all children will only have the family app login. Hopefully this will help make it easier to work, with only one login.

## Pick up at 3pm

Teachers with children in P1-3 need to see an adult at the end of the day at pick up, please give us a wave when your child is being released. Children from P4 can leave on their own if you want them to walk home, but please make them aware of a plan for coming home and someone isn't there (come back to us!).

The bus / taxi children need to walk along the path to get to their transport at the end of the day. Please keep the footpath clear when waiting on your child.

## Playground Supervision before the School Day

For all children, we would ask that they do not arrive in our school grounds before 8.30am. There is no supervision in the playground at this time but there will be a member of staff in the school office from 8.30am onwards. Children normally remain outside until 9am, but if it is very wet staff may bring them into the school hall.

For those children who are transported to school by the local authority, primary schools are required to provide a level of supervision from the time the bus/taxi arrives at the school until the children board the transport at the end of the school day. In our school this means that the children are met as they disembark from the bus and they are then escorted into the school grounds by staff to join their classmates. At this point the member of staff will work in the office, but bus children are made aware that the staff member will be available to support the children if required.

## Coats

As the weather gets colder it is more important than ever that children bring a suitable coat to school every day. Please ensure your child comes to school with a coat every day, preferably with a hood. Children will be reminded to wear their coats on cold and/or damp days.

## House Captains for this year

The children wrote application forms to help support the decision of the teaching staff. And what a very hard decision it was this year as we have a lot of very worthy children coming into P7 who would, I am sure, have made excellent choices. There were several houses in particular that were extremely close and very difficult to decide, but we have managed to narrow it down to two from each house.

The new house captains are:

- Lomond – Isla Caldwell & Eva McKenzie
- Bishop – Zoe Stockdale & Rosie McLaughlin
- Kinneston – Brodie Robertson & Robert Fernie
- Leven – Grace Drummond & Lucas More

## Prize Winners 2022-23

Congratulations to our prize winners:

- Art Prize – Maeve O'Hare
- Girls' Sport – Grace Drummond
- Boys' Sport – Roman Sinclair
- Spirit of Cricket – Isla Caldwell
- Friendship – Ethan Lumsden
- Music – Danny Dalgety
- Friend to our Planet – Hannah Seaman
- Alison Greenshields Memorial – Katie Arbuckle
- Jamesfield Trophy – Alfie Whyte
- Yellow – Jude Oliver
- Academic – Caitlin Cox

## Clothing Grants

You can claim free school meals and a school clothing grant for your child(ren) if you are receiving:

Income Support

Income-based Job Seeker's Allowance

Any income related element of Employment and Support Allowance

Child Tax Credit, but not Working Tax Credit, with an income of less than £17,005

Both Child Tax Credit and Working Tax Credit with an income of up to £7,920

If you are between 16 and 18 years old and receive any of these benefits in your own right, you can claim free school meals for yourself.

Support under Part VI of the Immigration and Asylum Act 1999

Universal Credit with a monthly earned income of not more than £660

Parents/Carers in receipt of a qualifying benefit will receive an annual school clothing grant of £120 per child in primary school and £150 per child in secondary school.

Please note assistance with school clothing/footwear is not awarded to nursery pupils. Children over 16 who are eligible to apply for an Education Maintenance Allowance will NOT be entitled to a clothing grant.

For more information on Child Tax Credit and Working Tax Credit visit the Inland Revenue website.

Applications for Clothing Grants can be made here: [Clothing Grants](#)

## Staffing Update

The full class breakdown is as follows:

- P1/2 – Ms Christina MacGillivray
- P2/3 – Mrs Louise Mossom (Mon/Tue) / Mrs Sarah Herd (Wed-Fri)
- P3/4 – Mrs Caroline Cole (Mon/Tue) / Mrs Kay Baird (Wed-Fri)
- P5/6 – Mrs Dawn Miller (Mon, Tue, Thur, Fri) / Mr John Muir (Wed)
- P6/7 – Miss Lindsay Kettles

Mr Mark Ainsworth continues to be our PE teacher on a Tuesday and Friday.

Mrs Margaret Gibson, our pupil support teacher comes on a Tuesday. We are expecting Mrs Gibson to have a period of absence later this term and are currently working with the Local Authority to arrange cover for this.

We also have two area support teachers in the Kinross cluster providing some additional teaching capacity, who will be in school on a part time basis across each term.

- Mrs Vicki Wilson
- Mr John Muir

Support staff working in the school office are:

- Mrs Natalie Davies (office)
- Mrs Christine Sellars (office/classroom support)

School support staff working in classrooms, playground and dinner hall:

- Mrs Beth Cox
- Mrs Jennifer Thomson
- Mrs Heather Paterson
- Mrs Heather Nichol
- Mrs Debbie Williams
- Mrs Kayleigh Lawson

Tayside Contracts staff in the dinner hall:

- Mrs Michelle Widley
- Ms Adele Hicks (who is currently off work, with a number of Tayside Contracts staff providing support)

We have a number of student teachers planning to visit this year, usually for blocks of 6-8 weeks in one class at a time, and we will let you know who they are and which classes they will be working with nearer the time.

## Vaping Use Among Children and Teenagers - Survey Invitation for Parents

The Scottish Government would like to hear directly from mums, dads, parents, and carers to help tackle vaping and e-cigarette use amongst children & young people.

Have your say about children & young people vaping - complete the survey by Monday, 28 August:

<https://shorturl.at/qiCWZ>

The survey takes less than 10 minutes and is completely anonymous - your name or any other contact details will not be taken.

## Water bottles

Please ensure that your child's water bottle for class ONLY contains plain unflavoured water. Your child's water bottle should also be labelled clearly with their name in case there are duplicates of design in class. If your child is having a packed lunch they are welcome to have juice for their lunch in their lunchbox.

## Bus and Taxi register

We have received the lists from the council of which children will be travelling on school transport. We keep a register in the morning and at night of who is / isn't on the bus. Please can you let us know if you have another arrangement for your family this year (e.g. no bus Tuesday pm as they go to granny's etc), we can then update the master register at our end.

We appreciate things sometimes change. This is perfectly ok, but we would like to hear from an adult and not a child when things are to be different. I am sure you will appreciate this is an important part of our duty of care, as we keep your child safe. If your child is not to go home on the bus, or is to go home on a day we don't usually expect them to, please email or call the school in good time before 3pm so we can update the list ready for the member of staff on bus duty.

## Bluebells

Brian D'Arcy came to Portmoak Primary school to donate some Scottish bluebells and some Spanish bluebells.

He told us how Spanish bluebells have been cross-pollinating with the Scottish bluebell variety. He also planted some Scottish bluebells in our school raingarden himself.

If you are thinking of buying Spanish bluebells, you should think of getting yourself some Scottish bluebells instead to help preserve the species that is native to Scotland.

## FAO Parents/carers of children and young people with Additional Support Needs (ASN) transitioning from P7 to Secondary School

Education Service in collaboration with Perth Autism Support (PAS) will be providing opportunities of support to parent/carers of children with ASN who are in Primary 7 transitioning to Secondary School.

Please complete this Microsoft Form so we can best tailor our supports and input to the needs of parents/carers and their young people.

<https://forms.office.com/e/XYpx0uT1ha>

Responses will stop being gathered at 5pm on Wednesday 6th September 2023
