

P1M Oct - Dec 2013

We will

- be learning sounds in Jolly Phonics booklets 4, 5, 6 and 7. Keep going over the first three booklets too.
- be practising blending sounds together to read CVC words.
- be listening to and retelling stories using Oxford Reading Tree books. Parents will get to join in too when the books come home.
- be practising letter formations
- have show and tell times to encourage listening and talking at the correct time. Details to follow.

We will be doing lots of practical games and activities to help us

- count, recognise and order numbers to 10, then 20 and beyond.
- add 1 more which leads to addition work.
- recognise o'clock times on analogue and digital clocks.
- sort, describe and name a variety of shapes.

We will be learning about light and electricity – giving examples of sources of light, everyday uses of light, identifying everyday appliances that use electricity and some of the dangers associated with electricity.

We will be learning how to log on to the school computers using our log on name and password.

We will be using other classroom technology to record and assist our learning – listening centre and camera.

Weekly assemblies.

Listening to and talking about the Golden Rules.

We will be learning about the Nativity story.

We will have various art/craft activities related to autumn, topic work and Christmas.

We will be learning songs and actions for our Nativity show. We will be working together to produce a show for our family and friends to enjoy. Details to follow.

We will be learning some fun dances for our Christmas party.

Gymnastics then dance with Mrs Cooper the PE teacher.
