

Term 1 – 2 P6

We have made a great start on our topic, exploring the rainforests of the world through independent and group research, preparing our fact files, doing presentations, constructing models, using drama, art, animation and even some rapping to share our learning!

We had a fantastic trip to Amazonia, where very brave P6 pupils had a go at holding geckos, tarantulas and slippery snakes! The P6 pupils got to create their own version of a rainforest venue through their 'rainforest restaurant' project, and the standard of cooking / baking samples brought in for the taster event left Miss O'Shea and Miss Oliver in awe (not to mention STUFFED!)

We are looking forward to discovering more about the tribes of the rainforests and the global impact of human-rainforest processes next term.

As part of their health and wellbeing sessions, P6 have been enjoying weekly rugby training, culminating in a rugby festival at the North Inch pitches during the last week of term. The Viewlands teams did their school proud, and were commended by the organisers for both their skill and sportsmanship.

Thanks to the great efforts of Mrs. Cooper, P6 have also had the opportunity to show off their dancing skills at the Day of Dance celebrations. They have been working hard in partners and teams to build on what they have learned previously and master some very complex steps!

P6 have also been learning about the different types of substance misuse with Mrs. Dyson, and have demonstrated very responsible attitudes in the lifestyle choices they can make around this.

Being a very musical bunch, P6 also shared their samba drumming beats with pupils from the rest of the school, through short performances given during their music sessions with Miss Ballantine.

This term, we are looking forward to staging our Emerald Crown show, having held some really high-standard auditions early in term 2. Much fun is sure to be had behind the scenes here too, as our talented team of set designers, stage managers, etc put their skills into action!
