

Maths-Countdown

Using each number only once for each, can you find the answer to each target?

50 10 9 5 4 2

Targets:

16 58 293

Remember if you have access to a computer, you can practise your times table at www.topmarks.co.uk

Log on to Sumdog to play Maths, Spelling and Reading games which have been assigned to you.

Reading

Continue to read your novel at your own pace.

Retell the beginning, middle, and end of what you read using emojis.

Ask someone to decode each part to see if they can determine what the story was about.

PE-Happy Workout

Listen to the song Happy by Pharrell Williams.

Every time Pharrell says 'happy' do a burpee. In between do star jumps in time to the music. Can you make it to the end without stopping?

Emergency Closure Activities

P4-7

Art

Select a character to draw and follow the step-by-step guide

Spelling-Boggle

How many words of 3 or more letters can you make from the following letters?

E T A
L O C
O H C

A 3 letter word = 1 point
4 letters = 2 points
5 letters = 3 points
6 letters = 4 points
7 letters = 5 points
8 letters = 6 points
9 letters = 7 points

How many points can you get?

Remember if you have access to a computer, you can practise your spelling at www.spellingcity.com

Writing

Choose a number and write a story that uses all three elements in that number.

1. A taxi, an old enemy and a birthday party.
2. A ring, a fear of spiders and a mysterious stranger.
3. A scientist, a broken watch and a locked door.
4. A cinema, an unusual pet and binoculars.
