Respect and Opportunities for All

A message from Mrs Tyrrell

Dear Parents, Guardians, and Friends,

We have had a really positive start to the new term despite our adapted school environment and some changes to the normal flow of the school day. I am incredibly proud of the resilience and flexibility which has been demonstrated by all of our pupils who have been very accepting of the changes presented. I wanted to say thank you to all within our school community for supporting our temporary plans and being flexible when required. It has been wonderful to see all layers of our school community pull together to keep the school day running as smooth as possible. We thank you for your continued support going forward. Phase 1 of the roof work

continues to be on track for completion at the end of December 2025.

I also wanted to say a special thank you to the members of our Parent Partnership on their hugely successful fund-raising events which have taken place over the past month: our Halloween Disco & Movie Night. We are so grateful for their fundraising support. It is also wonderful to see how much enjoyment our pupils gain from attending these events. Thank you on behalf of all within our school community.

Kind Regards
