

Primary 5/6/7 Block 1 2025/26

Literacy and English

LISTENING AND TALKING

- I will be able to ask and answer questions about what I am listening to or watching.
- I will be able to share facts and opinions and distinguish between the two when I am listening to others.

READING

- I will be able to scan texts to find relevant information.
- I will organise the information I find and make notes.
- I will use my notes to create my own texts.

WRITING

- I will be learning to write responses which share my thoughts and opinions.
- I will be learning about persuasive writing techniques e.g. emotive language and applying these to my writing.
- I will revise word types e.g. nouns, adjectives, verbs and adverbs.
- I will revise how to create different sentence types.
- I will be continually improving spelling and apply this to written work.

MODERN LANGUAGES

In French I will be learning how to:

- greet people
- introduce myself
- ask someone's name

- the alphabet

MATHS

I will be learning about:

- place value of whole numbers and decimals
- estimating and rounding whole and decimal numbers.
- written calculations
- mental addition and subtraction strategies
- shape with Mr Muir

EXPRESSIVE ARTS

ART

- I will be learning observational drawing techniques e.g. drawing from real life or grid technique.
- I will learn how to create artwork to show one point perspective.

TECHNOLOGIES

- I will be learning to log on. (P5)
- I will create folders to save work.
- I will be refreshing and building on basic knowledge of how to use MS Word and PowerPoint.
- I will be learning to independently login to the websites and apps I use.

HEALTH AND WELLBEING

- I will improve improving my stamina and increase the distance I can run.
- I will learn or revise how to pace myself when running longer distances.
- I will learn how to warm up and cool down properly.

- I will create, rehearse and perform a short original dance piece, comprising several sequences, to music or a rhythm.
- I will revise the different cogs from Emotion Works.
- I will use my understanding of the cogs to analyse written texts and programmes I watch.
- I will use emotion vocabulary to express my thoughts and opinions.

SOCIAL STUDIES

- I will explore my local area and present information on different places to live, work and relax and interesting places to visit.

I will compare my local area to another country and:

- explain how the physical environment influences the ways in which people use land.
- investigate the main features of weather and climate, discussing the impact on living things
- identify essential goods and services, discuss the different ways to pay for them, considering the benefits and risks of each method.

RME

- I will be discussing how beliefs impact people's actions.

- I will be able to share my own beliefs and listen respectfully as others share theirs.

SCIENCE

- I will be investigating objects floating and sinking in water.
- I will learn about buoyancy.
- I will apply my understanding of buoyancy to solve a practical challenge.
