

Primary 5/6/7 Block 3 2025/26

Literacy and English

LISTENING AND TALKING

Through debating I will:

- Contribute relevant ideas, information and opinions when engaging with others.
- Show respect for the views of others and offer my own viewpoint.
- Build on the contributions of others, for example, by asking or answering questions, clarifying points or supporting others' opinions or ideas.

READING

- I will respond to a range of questions, including literal, inferential and evaluative.
- I will create different types of questions to show understanding of texts.

WRITING

- I will be learning to write several types of persuasive and discursive pieces.
- I will be using persuasive writing techniques e.g. power of three.
- I will improve my ability to punctuate accurately and use a wider variety of punctuation.
- I will ensure I am writing in the correct tense.
- I will be continually improving spelling and apply this to written work.

MODERN LANGUAGES

In French I will be continuing to learn how to:

- count to fifty
- say my nationality and ask someone theirs.
- ask someone's age and tell them mine

MATHS

I will be learning about:

- continuing written calculations
- fractions, percentages, and decimals
- BODMAS (most children)
- negative numbers
- multiples, factors and primes
- time

EXPRESSIVE ARTS

ART

- I will use a variety of media to create my artwork.
- I will help make props and scenery for the school show.

Music

- I will learn the lyrics to songs for the school show.
- I will be able to sing in time to the music and in harmony with others.

Drama

- I will perform to our school community as of our school show.
- I will learn any lines which my character has.
- I will learn how to develop the role of a character and think about voice, body language and stage presence.

HEALTH AND WELLBEING

- I will improve my fitness and stamina.
- I will take part in body weight training, cardiovascular exercise and stretching activities.

- I will practise throwing, kicking, dribbling and aiming skills.
- I will take part in different games showing an understanding of the rules.

SCIENCE

- I will design and build a variety of electrical circuits and draw circuit diagrams using appropriate symbols.
- I will describe how components in a circuit transfer energy into different forms.
